– Falling at 150 mph without a parachute  
has never been so much fun!

## FREEFALL 3050-A.D.™

The year is 3050 and you are a cop out on the beat. The hot pursuit is in full force, so grab your vest and your gun – and leap head first out the window! Freefall 3050 A.D. is a fast paced action game featuring the unique combination of freefalling through space while blasting bad guys into oblivion! Rotate in 360° spins while you plummet at neck-breaking speeds. This is not your typical shoot'em up game – so don't miss out because this one is sure to make an impact.

Freefall 3050 A.D. is an original title from Total Arkade Software and features:

- A distinctly original and exhilarating new style of gameplay – spin and shoot in 360° while freefalling through space
- 15 gut-wrenching levels plus four helpful training levels
- Cool futuristic weaponry and gadgets
- A variety of unique and wicked enemies
- Multiple difficulty settings
